## BUYING GUIDE

**90** **Westbrook Wine Farm 2006 Uber Rhenish Dry Riesling (Madera County); \$17.** Here's a real success in a variety that's always struggling for acceptance. If more Rieslings were like this, more Americans would drink it. Very dry, as the name states, and crisp, it has complex, subtle flavors of citrus fruits, apricots and pine needles. Try as an alternative to Sauvignon Blanc. *Editors' Choice.*
